

Acme Supply Co. - Refund & Return Policy. Effective January 1, 2026. This policy explains how to return items bought from Acme Supply Co. and get a refund or an exchange. Please read it before you contact the support team.

When may I ask for a refund? All refund requests must be submitted within 30 days of the original purchase date. Requests received after the 30-day window are declined unless the item arrived damaged or defective. You can submit the request through the Acme Support portal or by emailing support@acme.example.

Eligibility. To qualify for a refund the item must be in its original condition and in the original packaging. You must include the order number and the original receipt or the email confirmation. Items that show signs of use or missing packaging are not eligible for a refund.

Opening the box. A restocking fee of 15% applies to opened items that are returned for a refund. Unopened items in the original packaging are refunded in full with no fee. The restocking fee is deducted from the refund amount before it is issued.

What cannot be returned. Perishable items, consumables, and downloadable software are not refundable. Custom or personalized products are also non-refundable. Gift cards cannot be returned or exchanged.

How refunds are paid. Refunds are issued to the original payment method. If you return an item without a receipt, you will receive store credit instead. Store credit never expires and can be used for any Acme product.

Processing time. Once we receive and inspect your return, the refund is issued within 5 business days. The refund appears on your statement within 5 to 10 business days of the issuing date. You will receive an email confirming the refund amount.

Return shipping. We email a prepaid return shipping label within 2 business days of approval. The label covers standard ground shipping. For returns from outside the United States the label cost is deducted from your refund.

Gift receipts. If the item was a gift, refunds are issued as store credit in the amount of the gift purchase price. The credit is sent to the gift recipient. The recipient can use it on any Acme Supply Co. order.

Warranty claims. This policy is separate from the limited warranty. The limited warranty covers defects for 90 days from the date of delivery. Warranty claims are handled by the Acme repairs team, not the refund team.

Damaged or defective items. If your item arrived damaged or defective, we offer a replacement or a full refund. No restocking fee applies to damaged or defective returns. Please include photos of the damage with your request.

How to request a refund. Open the Acme Support portal and choose Return or Refund. You must submit the request within the refund window and include your order number. Our team responds within one business day.

Chargebacks. If you dispute a charge with your credit card company before contacting us, the dispute is treated as a chargeback. Repeated chargebacks on an account lead to account suspension. Contact us first and we will resolve the issue.

Policy changes. Acme Supply Co. may update this refund policy at any time. Updates are posted on this page and take effect on the date they are posted. The policy that applies to your order is the one in effect on the purchase date. Contact: support@acme.example or 1-800-555-0142.
