

Acme Supply Co. - Shipping & Delivery Policy. Effective January 1, 2026. This policy explains how orders are packed, shipped, and delivered by Acme Supply Co. Delivery times start once an order has been packed and handed to the carrier.

Processing time. Orders are processed and shipped within 2 business days of order confirmation. Orders placed on weekends ship on the next business day. You receive a confirmation email as soon as your order ships.

Standard delivery. Standard shipping is delivered in 5-7 business days across the United States via UPS Ground. Standard delivery is free for orders over \$50. Deliveries to Alaska, Hawaii, and Puerto Rico may take an additional 3 business days.

Express shipping. Express delivery is available for orders placed before 2pm local time and arrives the next business day. Express is offered only for addresses within the United States. The express fee is calculated at checkout.

International shipping. We ship internationally to select countries. International deliveries take 10-15 business days from the shipping date. Import duties and taxes are charged at the destination and are not included in the order total.

Free shipping. Orders over \$50 ship free with standard ground delivery. The \$50 threshold is calculated on the pre-tax order subtotal. Free shipping is not available for international orders.

Tracking. A tracking number is emailed to you the day your order ships. The tracking email contains a link to the carrier's site. Tracking is updated within 24 hours of the carrier receiving the package.

Address changes. You may change the delivery address within 12 hours of placing the order. After 12 hours the package is prepared for shipping and the address can no longer be changed. Contact support promptly if you need an address change.

Undeliverable packages. If the carrier cannot deliver a package, we make 3 delivery attempts. After 3 failed attempts the package is returned to our warehouse. The return shipping cost is deducted from your refund.

Delivery exceptions. Weather, holidays, and carrier outages can delay delivery. Acme Supply Co. does not guarantee exact delivery dates during peak seasons. Signatures are required for orders over \$200.

P.O. boxes and APO addresses. We ship to P.O. boxes and APO addresses with standard shipping only. Express shipping is not available for P.O. boxes. Packages to APO addresses use the military postal service.

Lost or stolen packages. If a package has not arrived within 7 business days of the estimated delivery date, contact support to file a claim. Claims for lost packages are reviewed by the shipment team. We do not refund perishable items once shipped.

Shipping insurance. Every package includes \$100 of shipping insurance at no cost. Additional coverage up to \$2,500 can be purchased at checkout. Claims are filed through the Acme Support portal.
